All you need:

- **Talens Art Creation Effect Liner**
- **Talens Art Creation Metallic**
- **Talens Art Creation Vintage Chalk Paint**
- **(Plastic) eggs**
- **Sponge stick**

1. Shake the **Vintage Chalk Paint** well before use. Paint half of the egg with **Vintage Chalk Paint** using the sponge stick. Leave to dry for 30 minutes.

2. Shake the **metallic paint** well before use. Paint the other half of the

egg with **Metallic**, once again using the sponge stick. Leave to dry for 10 minutes.

3. Shake the **Effect Liner** well before use. Decorate the egg with **Effect Liner**. Tap into your creativity and have fun! Depending on the thickness of your lines and dots, leave to dry overnight.

4. You can now use your egg as a unique Easter decoration!

Rinse the sponge stick with water after use.
