

X-Press It® PROJECT SHEET

Metal Leaf Fathers Day Tool Box!

STEP BY STEP

WHAT YOU'LL NEED

- X-Press It Gold Size
- X-Press It Metal Leaf
- X-Press It Graphite Paper
- Paint Brushes
- Pencil

INSTRUCTIONS

Step 1: Paint the box with black acrylic paint then leave to dry.

Dad's
TOOL BOX

Step 3: Apply X-Press It Gold Size onto the letters "Dad's TOOLBOX" and leave for approximately 10 minutes, or until clear and tacky. Gently apply X-Press It Gold Leaf Flakes to the area with X-Press It Gold Size with a soft brush or fingers.

Step 2: Print the words "Dad's TOOLBOX" onto X-Press It Transfer Paper. Trace the words "Dad's TOOLBOX" onto the box.

Step 4: Gently brush off excess with the soft brush or finger.

You now have a completed tool box for dad, ready to hold and store his tools!
