

Fun, easy and interesting prints with

What you will need:

- X-Press It Blending Card
- X-Press It Premium Brayer
- Gel Press Mono Printing Plate
- Acrylic Paint
- Magazine page (we have used a glossy magazine page)

Step 1: Add a few dollops of paint onto Gel Press Plate.

Step 2: Using your brayer roll out paint to cover all of the plate evenly.

Step 3: Carefully place your magazine page face down onto the plate. Leave for about 10 seconds and smooth down gently.

Step 4: Peel off magazine page revealing the image on the Gel Press Plate in the paint.

Step 5: Place down your X-Press It Blending Card onto the plate and press down gently. Leave for around 10 seconds. Carefully and slowly peel off the Blending card to reveal your print on your paper!
