

PROJECT SHEET

Watercolour Card

STEP BY STEP

WHAT YOU'LL NEED

- X-Press It Watercolour Paper
- Ecoline Brush Pens
- Ecoline 30ml Bottles
- Paint brush
- Scissors

INSTRUCTIONS

Step 1: Fold a sheet of the X-Press It watercolour paper in half or cut it to your desired size that you would like your gift card to be.

Step 3: Use the basic hand lettering rule: thick stroke down, thin stroke up. You can also use a paintbrush by directly dipping it in the 30ml Ecoline bottle.

Step 2: Using a Ecoline Brush Pen, dip the brush nib into a 30ml bottle of Ecoline. Use the Ecoline Brush Pen write a name or greeting on your folded card.

Step 4: You now have created a blended watercolour personalised gift card. Don't be afraid to experiment with a variety of Ecoline colours to see what beautiful effects you can create.
