Explanation of the signs

Example

Degree of lightfastness
 +++ = at least 100 years lightfast under museum conditions (all 100 colours)
 ++ = 25 - 100 years lightfast under museum conditions
 + = 10 - 25 years lightfast under museum conditions
 ° = 0 - 10 years lightfast under museum conditions

Opacity
 □ = transparent
 ◻ = semi-transparent
 ◼ = semi-opaque
 ◼ = opaque

🧴 = also available in tube of 150ml

The lightfastness of all these colours has been tested in accordance with ASTM Standards D4303.

275 = colour number
 2 = price series
 PY184/PY154 = pigments used
